**PRESS RELEASE**

The Directorate of Industries, A & N Administration in association with Extension Education Institute (Southern Region), Hyderabad, is organizing an off-campus training programme on “**An Integrated Approach for Entrepreneurship Development - Potentials and Possibilities in Industrial Sector**” from 29<sup>th</sup> January - 1<sup>st</sup> February 2019. The training is being attended by 25 officials from Directorate of Industries, Registrar of Co-operative Society, District Industries Centre, Directorate of RD, PRA & IIB and Andaman & Nicobar Khadi and Village Industry Board. The Speakers from Extension Education Institute (Southern Region), Hyderabad Dr. I. Sreenivasa Rao, Professor, EEI and Dr. C. Padma Veni, Professor, EEI will take sessions during the training period. The training will help the officers of the respective Department to make a Integrated Approach for Entrepreneurship Development in these Islands.
