

Project Facilitation Camp for School Students Organised at FTI

A two days Project Facilitation Camp for School Students under the Sustainability education programme for schools was held at Forest Training Institute, Wimberlygunj on 14th and 15th September 2017. The residential camp was organized by C.P.R Environmental Education Centre, Port Blair in collaboration with Dept. of Environment and Forests, Andaman & Nicobar Administration under Wipro Earthian-2017 campaign for the selected school students of the Islands. The Camp aimed at generating awareness and skill for various projects under the themes biodiversity and water. Resource persons from Forest training Institute, Wimberlygunj and Indian Institute of Geomagnetism, Field Station, Shoal Bay led various sessions.

Altogether 35 students and 7 teachers from Govt. Model Sr, Sec. School, Aberdeen, Port Blair, GDMS (Sec.), Middle Point, Port Blair, Govt. Sr. Sec. School, Mohanpura, Port Blair, St. Mary's School, Bathu Basti, Port Blair, St. Xaviers' School, Mannarghat and Vitala Public School, Hopetown attended the Camp. They actively participated in the entire camp updating their knowledge and skills on different themes of the camp and taking up various practical assignments on different topics. The whole activities of the camp were coordinated by Shri. A. Gopal, Project Officer, CPR Environmental Education Centre, Port Blair and Shri Joju P. Alappatt, Director, Forest Training Institute, Wimberlygunj.
