## **MESSAGE**

I am delighted to know that the "World Environment Day" is being observed on 05<sup>th</sup> June, 2020 in these Islands with the rest of the country and the world on the theme of "**Urban Forestry**" with emphasis on establishment of Nagar Van (City Forests) or green spaces in the urban cities. City forests are green infrastructure in an urban landscape where trees and associated vegetation provide an assortment of environmental services like cleaning the air etc as well as aesthetic and recreational value for urban community system. Urban forestry is an integrated concept of forest resource management to provide improved environment, pleasing and relaxing surroundings in an urban system.

On this occasion let us redeem or resolve to reaffirm our commitment for protection and conservation of our Urban forests so that our future generation could lead and share a healthy and pollution free environment in Nagar Van (City Forests).

### संदेश

मुझे यह जानकर अत्यन्त प्रसन्नता हो रही है कि सम्पूर्ण देश के साथ – साथ अण्डमान तथा निकोबार द्वीप समूह में भी नगर वन अथवा नगरों में हरित क्षेत्र स्थापित करने पर बल देते हुए “शहरी वानिकी” विषय के साथ 05 जून, 2020 को “विश्व पर्यावरण दिवस” मनाया जा रहा है। नगर वन शहरी भूखण्ड के ऐसे हरे-भरे क्षेत्र हैं जहाँ वृक्ष और उससे सम्बन्धित पेड़-पौधे वायु के शुद्धिकरण आदि जैसी पर्यावरणीय सेवाएँ प्रदान करने के साथ – साथ शहरी सामुदायिक प्रणाली के लिये सौन्दर्य बोधक एवं मानोरंजनात्मक मूल्यों को बनाये रखते हैं। शहरी प्रणाली में उन्नत पर्यावरण, रमणीय एवं विश्रांतीपूर्ण माहौल उपलब्ध कराने के लिये वन संसाधनों के प्रबंधन का एक समन्वित परिकल्पना है ‘शहरी वानिकी’।

आइये इस अवसर पर हम अपने शहरी वनों की सुरक्षा एवं संरक्षण के लिये अपनी वचनबद्धता को सुदृढ़ करने का पुनः संकल्प लें ताकि हमारी भावी पीढ़ी नगर वन में स्वस्थ तथा प्रदूषण मुक्त पर्यावरण का आनन्द ले सके।
