Date            October, 2020

**PRESS RELEASE**

All persons receiving social security pension such as Old Age Pension, Widow Pension, Disability Allowance and Destitute Allowance are hereby informed that from July, 2020 onwards, the welfare benefit is being credited only in aadhar seeded bank accounts as per the mandate of NPCI under GoI. Therefore, pensioners whose bank accounts are not aadhar seeded have not received social security pension with effect from July, 2020.

For aadhaar seeding of bank account, the pensioner is required to fill up the mandate form and submit the same in the office of CDPO, concerned. Due to unavailability of complete address of some persons, the Department has not been able to contact them. These persons are requested to contact the office of CDPO concerned with clear and self-attested photo copies of their aadhar card and pass book of the bank account in which they would like the social security pension to be credited and fill up mandate form available in the office, so that the same may be submitted in the bank for Aadhar seeding of bank account. If any person fails to fill up and submit the mandate form by **05.11.2020**, his/her name would be struck off from the list of registered beneficiaries and payment of social security pension to him/her would be stopped from the month in which the pension has not been credited in his/her account. The details of such pensioners, as available with the Department, are published as under:

**Assistant Director (Admn)**

**Copy to:-**

1. The News Editor, The Daily Telegrams, Port Blair with request to publish the press release in the Daily Telegram.
2. The Station Director, All India Radio, Port Blair with request to broadcast the press release in Pradeshik Samachar daily for a week.
