Encl: A/A

Yours faithfully

Principal/ Deputy  
Apprenticeship Advisor

**REGISTRATIONS OPEN FOR INDIA'S 1<sup>st</sup> INTERNATIONAL RECRUITMENT DRIVE ORGANISED BY NSDC INTERNATIONAL AND LTSU, PROVIDING OVERSEAS EMPLOYMENT TO THE YOUTH**

To empower India's youth by extending numerous prospects for international job opportunities across sectors, National Skill Development Corporation (NSDC) International has collaborated with one of the leading universities in India, Lamrin Tech Skill University (LTSU), an incubated skill university to organize the first-of-its-kind International Kaushal Mahotsav in a hybrid mode. The registrations have already begun, and the interested candidates can sign up at <https://kaushalmahotsav.nsdcdigital.org/International/Candidate/Candidate-Registration>.

The initiative aims to elevate the profile and improve the presence of India's young talent in international markets. With mobility of global talent, India's skilled workforce will be extended to several other destined markets which will provide meaningful job opportunities to the youth, propelling India's economic progress by recognising its talent.

The International Kaushal Mahotsav will be organised in a phased manner and will include several crucial aspects for the holistic development of the candidates including counselling, free screening, motivational sessions, candidate and employee registrations, language testing, trade testing, and mapping of prospective candidates for the program. The International Kaushal Mahotsav will witness participation from several international employers, and the registrations are open to all the interested candidates with any education background.

The mega international recruitment drive will witness participation from international employers from USA, Canada, UK, Europe, GCC, Western and South Asia, Japan, Australia, New Zealand, and East and South Asia to provide different job roles listed on the portal in sectors like automation, logistics, production, electronics, apparel, tourism, Healthcare, retail, hospitality, facility management, construction, Food & Beverage, Marine, Agriculture & Horticulture and more.

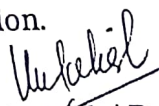

To apply for the job, candidates will have to go through multiple rounds, including preliminary, final, and closing ceremony, to receive a job offer letter on the spot. Post the selection, the candidates will also be supported with a pre-departure

training. The recruitment process will be conducted ethically and transparently and NSDC International will provide the necessary training along with services such as counselling, foreign language certification, and post placement support to the candidates. To know about the important dates, please refer to below mentioned Table:

	Wednesday, 28 June, 2023	1	Wednesday, 28 June, 2023

A report noted that the demand for sectoral demand for Indian migrants would increase over the next five years, especially in GCC, Europe, the USA, and Australia. Therefore, moving towards standard mechanisms for skill gap mapping and a global skill harmonization framework is significant to improve the incomes of the migrating workforce.

In this regard, all aspirational candidates are requested to register their name using the above-mentioned web link or may contact the Training, Counselling, and Placement Cell (TCPC) at the Office of the Principal ITI, Dollygunj or Modal Career Center (MCC) Employment Exchange, Port Blair for any further information.
