

PRESS NOTE

Bharat Sanchar Nigam Limited brought cheer to its users by launching **BiTV**, a direct-to-mobile service from BSNL which enables customers to have access to more than 450 live TV channels, web series and movies.

In partnership with OTT Play, the government-run telecom giant BSNL now provides this feature for FREE to its mobile users across India.

BSNL users can access BiTV on their smartphones entirely free of charge with any BSNL mobile plan (Postpaid or Prepaid).

This feature is available through the OTT Play app, making it convenient for smartphone users to enjoy their favorite shows and movies on the go.

BSNL Mobile users can activate BiTV through the link - <https://fms.bsnl.in/iptvreg>

--> Select your state, select BiTV provider (OTT Play)

--> Enter your Registered Mobile No. and submit OTP received for activation

--> Download "**OTT Play**" from Google play store or App store, login using your registered Mobile No. and enjoy endless entertainment.
