Sri Vijaya Puram, dated the 29th March, 2025

PRESS NOTE

**BACKYARD POULTRY DISTRIBUTION BY DEPARTMENT OF ANIMAL HUSBANDRY
AND VETERINARY SERVICES**

Department of Animal Husbandry and veterinary services promotes backyard poultry keeping through supply of inputs, training and by providing technical assistance for enhancing livelihood opportunities to the rural farmers. One such training and input distribution program was organised by the Veterinary Dispensary, Port Mout on 28.3.25 at Chouldari Panchayat in the presence of Smti Tapsi Saha, Gram Pradhan, Gram Panchayat Chouldhari and Smti. Pramila, Member, Zilla Parishad. A total of 750 vanaraja chicks and ducklings were distributed to the farmers during the programme. On the commencement of the program Dr Sanjali Soren, senior veterinary officer Veterinary Dispensary, Port mout educated the farmers on topics as scientific management of backyard poultry, disease prevention and control. 35 farmers participated in the program. Speaking on the occasion the Gram Pradhan appreciated the efforts of the department and expressed her gratitude to the department. In conclusion a interactive session was held for the benefit of the farmers.
