Press Note

Kindly publish / broadcast/telecast the following news items in your esteemed media:
“In view of the recent outbreak on Nipahvirus disease in Kerala the general public are hereby requested to follow the follow guidelines for prevention and containment of the disease.

DO	Dont
There is no ban on eating fruits after proper washing.	Do not panic.
There is no travel restriction to the Kerala State However, to be extra cautious	Don't spread any Rumors or get carried away with rumors n social media
People travelling to or out of Kerala are requested to voluntarily disclose their contact with any Nipah case or any untoward symptoms within 21 days of leaving the Mallapuram and Kozhikode districts of Kerala or even to other districts where cases are found.	Don't Eat fruits which is half eat by animals
It is a self containing disease. Have plenty of water. Use soap or spirit based hand rub repeatedly for cleaning hands. Keep one meter distance to each other for any untoward symptoms observed.	
Contact 232797 (Day time)/ 102 to answer your queries if any	

Bills if any may be generated in favor of DDH, DHS Port Blair for necessary payment.

Yours faithfully,

Dr Avijit Roy
