

News Item

Directorate of Industries proposes to organize one month workshop on Design & Technical Training on Jewellery Products in Cane & Bamboo at Port Blair in association with BCDI, Agartala for the trained artisans. The workshop will focus on new jewellery product & development, skill up gradation and inculcate the participants to various finishing techniques. After receiving training it is envisaged that the participants will be in a position to make products with exportable quality and finish. The focus of the training will be development of new product using locally available cane & Bamboo material.

Bamboo & Cane Development Institute (BCDI) was set up at Agartala in 1974 by Development Commissioner (Handicrafts), Ministry of Textiles, Govt. of India. It is the oldest Institute providing skills to handicraft artisans. National Centre for Design & Product Development (NCDPD) has been entrusted with the responsibility of running and management of BCDI by O/o. Development Commissioner (Handicrafts) with an objective to provide multi-disciplinary services in the field of skill, design, technology, research and education.

The workshop will be conducted by BCDI team comprising of faculty technical expert, designer and a master trainer. Interested artisans, crafts person & candidates with basic training in cane & bamboo handicraft may apply in the prescribed format available with the Training Cell of the Directorate of Industries, latest by 20<sup>th</sup> August 2018.
