TRAFFIC AWARENESS CLASSES & MEETING

In order to create Road Safety awareness amongst the auto rickshaw drivers, on 18/08/2017 a traffic awareness lecture was delivered at PS Aberdeen Conference Hall by Shri. Mohd. Umar, Dy. SP (Traffic), Insp. HL Tiwari and Insp. Arjun Prasad of Traffic Branch. They were educated about the traffic rules and regulations, as well as familiarized with the traffic signals and road signages.

Besides, a small meeting was also organized with the auto rickshaw drivers to put forth their grievances/problems in which they stated that there is no separate parking place for the auto rickshaws in the municipal area. Due to this the traffic personnel are challaning for obstructive parking regularly. In this connection they also approached PBMC and APWD, but their reply is awaited.

They were assured that the above matter will be looked into. The auto drivers have been advised.

- not to indulge in drunken driving,
- not to park the auto rickshaws near the bus sheds which causes traffic congestion.
- not to violate the route permit.
- not to misbehave with the passengers.
- operate fare meters while carrying passengers.
- strictly follows the traffic rules and regulations.

Moreover, on 19/08/2017 Insp. Shanti Arjun and SI Abhishek Menon of Traffic Branch delivered a lecture at Girls. Sr. Sec. School on the road safety. More than 70 students including teachers attended the lecture and they were briefed about the Road Safety and Traffic Rules and Regulations.
