

News Item

The Directorate of Industries in association with Bamboo & Cane Development Institute (BCDI), Agartala proposes to organize one month workshop on '**Design & Technical Training on Jewellery Products in Cane & Bamboo at Port Blair**' for the trained artisans. It is to mention that Bamboo & Cane Development Institute (BCDI) is a pioneer Institute functioning under Development Commissioner (Handicrafts), Ministry of Textiles, Govt. of India that provides technical support and skill up-gradation to artisans of the country in developing value added products using Cane & Bamboo. The workshop will focus on the development of new jewellery designs using Cane & Bamboo, imparting skills and exposing the trainees to various techniques that will augment the value of the product. The training will enable the participants in making value added innovative products with a scope for export. The training will emphasise creating innovative designs in accordance with marketability using locally available Cane & Bamboo.

Applications are invited from local artisans, craftsperson & candidates with basic training in cane & bamboo handicraft. Applications in the prescribed format, available with the Training Cell of the Directorate of Industries, to be submitted latest by 30th October 2018. The aspiring candidates from outer Islands willing to participate in the training programme may submit their Applications directly at Industries Training Centre located at Bakultala, Diglipur, Little Andaman, Car Nicobar and Campbell Bay. In case more candidates apply for training, the trainees will be selected after due process of selection.
