

F. No. 763/Sett/2016/ 7450(DC)
OFFICE OF THE DEPUTY COMMISSIONER
SOUTH ANDAMAN DISTRICT
PORT BLAIR

Port Blair dated 26th October, 2018

PUBLIC NOTICE

During the year 1999-2000 the District Administration prepared a layout plan for allotment of House site/ agriculture land for compensate to Airport affected families and Kumardkhethi (Buniyadabad) and licences were issued as per the layout at **Birsa Nagar** and **Attom Pahar** under Garacharma village. Few of the allottees occupied the land.

However some of allottees of Birsa Nagar and Attom Pahar, have either not taken over the land or they are dispossessed i.e. they have taken over another private land or community land i.e. Path, Open space etc.

Many applications / requests were received by allottees for correction of the maps as per their physical possessions. Hence, the revenue department decided that the records should be corrected on the basis of actual record and physical possession of land.

The exercise was started by revenue department in the year 2016 and claims were called and, subsequently 152 tenants appeared for hearing. Their land was surveyed as per their physical possession and records. Rests of the allottees have not approached the district administration even after repeated requests/calls through public notice.

However, the Revenue Department has decided to provide **last and final opportunity** to all the tenants

1. Who have the record/License
2. Name in Jamabandi register (have deposited LR till date).
3. The physical possession till 2018 on ground of the house sites of Garacharma village.

It is made clear that cases which satisfy all the above 3 criteria shall only be considered.

Now therefore, all concerned persons who have not represented/ not heard till date, are hereby requested to present and submit their representation along with all relevant documents to the Assistant Commissioner(Settlement)/ Tehsildar Settlement-II at Settlement Office, Port Blair on or before **10th December, 2018** for survey and map correction. **The tenants who don't represent/present their case by 10th December, 2018, it shall be assumed that they don't qualify as per the above said criteria or not interested in pursuing their case**

All such cases where no representations are received till 10th December, 2018 will be decided ex-parte and licences will be cancelled. Therefore, the remaining land shall be resumed and fresh layout will be prepared.

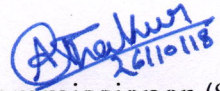

No cases will be entertained after due date.
