# PREFACE

The present edition of Meteorological Statistics of Andaman & Nicobar Islands is the Twelfth in the series being published by the Directorate of Economics & Statistics, Andaman & Nicobar Administration. This edition contains data from 1949 to 2009 on the climatic condition of the Union Territory of Andaman and Nicobar Islands viz. Rainfall, Temperature, Humidity, Wind Speed and Earthquake.

I express my profound gratitude to the co-operation extended by the Meteorological Department, Port Blair in making available the data.

The publication is the result of devoted efforts put in by Shri Martin Ekka, Shri M.P.Muthappa and Smti. D.Susaiammal, Senior Investigators under the overall supervision of Shri. B. Mohan, Statistical Officer (Pub). They worked hard to bring out this publication.

Any error or omission and suggestions for improvement of this publication may be brought to the notice of the undersigned.

Port Blair

(Sasikala Viswanathan)  
Director of Economics & Statistics
