

## **Preface**

“Economic Review of Andaman and Nicobar Islands” is compiled by the Directorate of Economics and Statistics, Andaman & Nicobar Administration.

It is an attempt to put forth the Developmental activities undertaken by different departments and achievements made under different sectors of the economy through various programmes initiated by Government.

I acknowledge with gratitude the cooperation extended by different Government Departments and Organizations by making available the write-ups and data required for analysis of the Economy of this Union Territory.

Economic Review publication is an outcome of sincere and dedicated efforts made by all Officers and Staff of Directorate of Economics and Statistics and other Departments.

Any suggestions for further improvement and correction may be brought to the notice to this Directorate
