		application submission, payments, tracking of status, approvals and issuance of the certificate(s)	
206.		Ensure 'electricity connection' is provided as a service through the online single window system facilitating online application submission, payments, tracking of status and approvals	Single Window Body
207.		Ensure 'water connection' provided as a service through the online single window system facilitating online application submission, payments, tracking of status and approvals	Single Window Body
208.		Publish information on the procedure, timelines and a comprehensive list of documents that are required to be submitted for applying for various incentives in the state	Single Window Body
209.		Ensure that incentives of all applicable industrial/sectoral policies are applied through a common form without the physical touch points	Single Window Body
210.		Mandate that all queries/clarifications related to investor's application are sought once and within 7 days of receiving the application	Single Window Body
211.		Ensure that the Single Window System sends out SMS/e-mail notification to the applicant as and when the application is submitted and/or query is raised and/or application is approved/rejected	Single Window Body
212.		Ensure that incentives under Industrial/Sectoral Policy are provided as a service through the online single window system (for intent letter, sanction and disbursement) facilitating online application submission and tracking of status and approvals	Single Window Body
6. Land availability and allotment			
213.	Availability of land	Ensure information on land banks for industrial use is publicly available online at one place	All IDCs and equivalent
214.		Design and implement a GIS system to provide details about the land earmarked for industrial use across the State	All IDCs and equivalent

DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION
Ministry of Commerce and Industry, Government of India

Business Reforms Action Plan 2017 for States/UTs

S. No.	Area	Recommendation	Department
215.		Ensure that the GIS system provides details about available infrastructure such as road, water, electrical substation and poles, proximity to National/State highways, Railway lines etc. for all industrial land banks of State	All IDCs and equivalent
216.	Land Allotment	Define objective criteria, applicable for all industrial land, for evaluating land allotment application for industrial use	All IDCs and equivalent
217.		Publish information about the procedure and a comprehensive list of documents required to be submitted for land allotment on the web site	All IDCs and equivalent
218.		Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for land allotment	All IDCs and equivalent
219.		Design and implement a land allotment system that allows online application and payment without the need for a physical touch point for document submission and verification and mandate that all applications are submitted online	All IDCs and equivalent
220.		Ensure that the system allows users to download the final signed land allotment certificate from the online portal	All IDCs and equivalent
221.		Allow third parties to easily verify the land allotment certificates in the public domain of at least past two years	All IDCs and equivalent
222.		Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for processing of application for conversion of land/ change in land use (from the date of application) for land outside of industrial parks/IDCs	Revenue/T&CP and equivalent
7. Construction Permit Enablers			
223.	Construction Permit Enablers	Enact a comprehensive uniform building code/building by-law applicable to the entire State	All ULBs/IDCs/Development Authorities/T&CP
224.		Ensure that the uniform building code/building by-law include provisions for risk-based classification of buildings	All ULBs/IDCs/Development

DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION
Ministry of Commerce and Industry, Government of India

Business Reforms Action Plan 2017 for States/UTs

S. No.	Area	Recommendation	Department
			Authorities/T&CP
225.		Ensure that the uniform building code/building by-law includes accreditation programs and clear responsibilities for professionals including architects and engineers engaged in the construction process	All ULBs/IDCs/Development Authorities/T&CP
226.		Define mandatory qualifications for architects and structural engineers in the uniform building by-law applicable in State	All ULBs/IDCs/Development Authorities/T&CP
227.		Develop legally valid master plans/zonal plans/land use plans for all urban areas and make it available online in public domain	All ULBs/IDCs/Development Authorities/T&CP
228.		Establish a dedicated conflict resolution mechanism for land and construction permits	All ULBs/IDCs/Development Authorities/T&CP
229.		Conduct a survey of all industrial areas of State and create a list of plots with trees and publish online a comprehensive information on type of trees	Forest Department/IDCs
230.		Publish online the detailed information on applicable replanting requirements for plots with varying tree populations	Forest Department/IDCs
231.		Allow authorized architects to issue the completion certificate at all urban areas and IDCs, instead of requiring a separate completion certificate to be issued	All ULBs/IDCs/Development Authorities/T&CP
232.		Implement a system to allow approval based on third party certification (during construction and/or completion stage, as applicable) of structural design and architectural drawings by authorized structural engineers and architects respectively across all urban areas and IDCs	All ULBs/IDCs/Development Authorities/T&CP
233.		Combine all affidavits & undertakings required to be submitted for obtaining the building plan approval into one affidavit/undertaking	All ULBs/IDCs/Development Authorities/T&CP

DEPARTMENT OF INDUSTRIAL POLICY AND PROMOTION
Ministry of Commerce and Industry, Government of India

Business Reforms Action Plan 2017 for States/UTs

S. No.	Area	Recommendation	Department
234.	Building Plan Approval	Publish information about the procedure and a comprehensive list of documents including pre-construction and post-construction No Objection Certificates (NOCs), registrations and other mandatory State approvals (prior to plinth and pre - occupancy) on the web site	All ULBs/IDCs/Development Authorities/T&CP
235.		Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation to grant construction permits including all required approvals; pre-construction, during construction and post construction	All ULBs/IDCs/Development Authorities/T&CP
236.		Mandate that a single, joint site inspection will be carried out by all concerned authorities such as Fire, Sewerage, Electricity, Labour (such as Factory license), Water Department and internal departments responsible for granting construction permits in urban areas and IDCs	All ULBs/IDCs/Development Authorities/T&CP
237.		Design and develop an online single window system for granting construction permits with following functionalities: <ul style="list-style-type: none"> i. A common integrated application for all internal and external agencies required to provide applicable NOCs/Approvals such as Fire Services, Water and Sewerage Department, Discoms, AAI, NMA, Forest, labour, Factory Directorate etc. ii. Provision for making an online application with integrated payment without the need for a physical touch point for document submission and verification iii. The system should allow auto scrutiny of building plans from compliance perspective according to the uniform building codes/building by-law using Auto DCR (or similar) software iv. Ensure that the system issues digitally signed approved building plan within 30 days from the date of application v. Provision for e-intimation to authorities of plinth level completion vi. Provision for online issuance of certificate of inspections 	All ULBs/IDCs/Development Authorities/T&CP
