Undertaking

With reference to our application to make a feature film in India, we hereby abide by the regulations of the Government of India and give the following undertaking:

1. Shooting of the film shall be done in locations in Andaman & Nicobar Islands in accordance with the script, as approved by the A & N Administration. If any changes are necessary in the script, we shall obtain the prior approval of the Andaman & Nicobar Administration for such changes.
2. We shall shoot the film only in the presence of a Liaison Officer wherever attached to the team by the Andaman & Nicobar Administration.
3. We accept that part of the Liaison Officer's duty shall be to ensure that nothing detrimental in the depiction of Andaman & Nicobar Islands or the islanders shall be shot or included in the film. In the event of any disagreement arising between the team and the Liaison officer in this respect, the matter will be immediately referred to the Andaman & Nicobar Administration whose decision shall be final. We shall ensure that India's security interests are not compromised in any manner.
4. We undertake to show our completed film to the representative of the Andaman & Nicobar Administration for scrutiny if recommended by the Andaman & Nicobar Administration and we further undertake to delete and destroy the portions of the film that may be found objectionable on such scrutiny by the Andaman & Nicobar Administration, before the film is utilized for public exhibition anywhere in the world.
5. The above requirement will apply only to films made on subjects of political, religious or socio cultural sensitivity, and is focused on ensuring that the film has been shot in accordance with the scrutinized script and that the film has nothing objectionable from the point of view of presentation of a correct and balanced perspective on the topic concerned. (in case of Foreign film makers only and in exceptional cases).
6. After the shooting of the film is completed we shall provide, in duplicate, to the Andaman & Nicobar Administration a narrative report about the details of shooting done.
7. I declare that I have not concealed any information which will make me ineligible for getting permission for film shooting.

 I accept all the terms and conditions
